

Disability Insurance

Provides a monthly benefit if you are disabled from a sickness or off-the-job injury

THINK ABOUT THIS

Just over 1 in 4 of today's 20-year-olds will become disabled before they retire*

More than 40% of Americans cannot afford to pay an unexpected \$500 medical bill**

Injuries such as fractures, sprains and strains are the most common short-term disability claims*

If you get sick or have an accident, you may not be able to work for some time — and your monthly bills won't wait. Disability Insurance from Allstate Benefits can help you replace your lost income and protect your financial health.

Here's How It Works

- Select a monthly benefit that meets the needs of you and your family
- If disabled, you receive a benefit amount each month
- A monthly benefit is direct deposited or a check is mailed and can be used however you wish

Protecting Your Finances

- You've worked hard for your savings – don't let a disability wipe them out.
- Protect your checking and savings
 - Don't dip into your HSA or 401(k)

Practical benefits for everyday living.®

Meeting Your Needs

- Benefits start the first day after your elimination (waiting) period, when totally disabled and you cannot work
- Premiums are affordable and can be conveniently payroll deducted
- Coverage can go with you if you leave your job or employer cancels coverage
